TANZANIA ROADS ASSOCIATION (TARA)

A PIARC NATIONAL COMMITTEE FOR TANZANIA

WEEKLY BULLETIN

Number 04/2023

Tuesday 28th March 2023

Message from TARA Chairman

On behalf of the Executive Committee of the Tanzania Roads Association (TARA), it is my pleasure to welcome all stakeholders in the roads sector to TARA Weekly Bulletin. This is one of the tools established to facilitate sharing information, experiences, technology and best practices to our members and other stakeholders within the road transport sector. I take this opportunity to sincerely thank you all our members and stakeholders who have been participating and supporting TARA and I warmly welcome you to continue reading our weekly bulletin.

Mr. Joseph Odo Haule, TARA Chairman

THE WORLD ROAD ASSOCIATION (PIARC) INTERNATIONAL SEMINAR ON SUSTAINABLE ROAD FREIGHT TRANSPORT FOR ECONOMIC AND SOCIAL DEVELOPMENT FROM 31ST MAY TO 2ND JUNE 2023 AT ARUSHA INTERNATIONAL CONFERENCE CENTRE (AICC), ARUSHA, TANZANIA

The World Road Association (**PIARC**) with its two Technical Committees; Technical Committee 2.3 dealing with Freight and Technical Committee 1.2, dealing with Planning Road Infrastructure and Transport to Economic and Social Development in collaboration with the Ministry of Works and Transport in Tanzania (**MoWT**) through Tanzania Roads Association (**TARA**) which is a National Committee of the World Road Association for Tanzania is organizing an **International Seminar on Sustainable Road Freight Transport for Economic and Social Development** to be held at the Arusha International Conference Centre (**AICC**), Arusha, Tanzania from 31st May to 2nd June 2023.

The objectives of this International Seminar are to exchange knowledge and experiences, to present and share good practices and to discuss challenges and newest developments regarding Sustainable Road Freight Transport for economic and social development between PIARC member countries.

The Seminar is targeted at Senior Officials and Chief Executives of Road Agencies/ Departments and Road Funds, road sector policy and decision makers, transport planners, freight transport operators, freight transport agents, logistics experts, service providers, junior and middle level managers from government road agencies, development partners, road users, consultants, contractors, researchers and academics, students, and other interested parties.

Certified Professional Training Course

Introduction to Road Safety Audits

30 May - 01 June 2023 | Qatar University

The <u>International Road Federation</u> together with the <u>Qatar Transportation and Traffic Safety</u> <u>Centre</u> (<u>University of Qatar</u>) and the support of <u>Khatib&Alami</u> is organising a professional training course on "Introduction to Road Safety Audits". The course will be held on 30 May – 01 June 2023, in person, at Qatar University.

This training course aims to introduce the procedures and requirements for developing **Road Safety Audits**, and the importance of conducting these audits and implementing their recommendations in improving the status of traffic safety. It will also cover **methodologies** and **cutting-edge technologies** that have been field tested to reduce traffic injury risk through auditing & inspections.

Learning Outcomes

- Identify the **risks** of a road network.
- Understand the **benefits, resources, and liability issues** associated with the Road Safety Audits & Inspections.
- Learn how to correctly utilise **national and international reference manuals**.
- Define the **roles and skills of each member** of a road safety audit team.
- Explore different **data sources** available to support recommendations for remedial measures.
