

TANZANIA ROADS ASSOCIATION (TARA) A PIARC NATIONAL COMMITTEE FOR TANZANIA

WEEKLY BULLETIN

Number 07/2023

Tuesday 25th July 2023

Message from TARA Chairman

On behalf of the Executive Committee of the Tanzania Roads Association (TARA), it is my pleasure to welcome all stakeholders in the roads sector to TARA Weekly Bulletin. This is one of the tools established to facilitate sharing information, experiences, technology and best practices to our members and other stakeholders within the road transport sector. I take this opportunity to sincerely thank you all our members and stakeholders who have been participating and supporting TARA and I warmly welcome you to continue reading our weekly bulletin.

Mr. Joseph Odo Haule, TARA Chairman

Tanzania Roads Association (TARA) is a non-governmental organization whose mission is "to liaise with and influence the government to plan and provide good roads and effective road transport system".

TARA Services to its Members:

Services provided by the TARA to its members and stakeholders in the road sector include:

- Access to National and Global Best Practices
- Worldwide Networking
- Speaking Opportunities
- On-demand Conventions, Seminars, Workshops, and Training
- Continuing Professional Development.
- Discounted Rates for participation in all TARA events.

Come and join us in Prague from 2 to 6 October 2023!

The World Bank Group Young Professionals Program (WBG YPP)

The World Bank Group Young Professionals Program (WBG YPP) is an inspirational pathway into the World Bank Group. Young Professionals are recruited from around the world with various academic and professional backgrounds relevant to the [World Bank](#), [IFC](#) and [MIGA](#). We are looking for applicants who demonstrate a passion for international development, graduate education, relevant professional experience, and the potential to grow into impactful leadership roles across our institutions.

The **WBG YPP** is a two-year leadership development program at the start of a five-year employment contract with the World Bank, IFC or MIGA. YPs start the program in Washington, DC, where they engage in intensive training—on-the-job and in the classroom—learning the fundamentals of leadership and development operations across institutions, and how to identify opportunities for joint impact.

KEY PROGRAM FEATURES

- [Professional Experience](#)
- [Leadership Development](#)
- [Training on WBG Policies, Products and Operations](#)
- [Global Rotations across WBG](#)
- [Coaching & Mentoring](#)
- [Networking Events](#)
- [Rotations & job placements](#)

About the IRF World Congress 2024

Istanbul – the city on two continents – will be hosting the IRF World Congress in October 2024.

Held every four years, the IRF World Congress has represented – for almost seven decades – an opportunity to celebrate the road and mobility sectors as enablers of growth and development. The event which is accompanied by a large exhibition provides a unique platform that supports thought-leadership, business development, education, and overall successful partnerships in our industry.

The mysticism of the East and the modernity of the West, the constant time travel between the past and the future, the balance of the traditional and the modern.

Preparations Kick Off in Istanbul

The signature of the Memorandum of Understanding (MoU) between the [International Road Federation \(IRF\)](#) and the **Turkish Ministry of Transport and Infrastructure**, has officially kicked-off preparations for the Congress and marked Turkey as the official host country for the IRF World Congress 2024.

The meeting was attended by Yunus Emre Ayözen (Head of the Ministry of Transport and Infrastructure Strategy Development), Mücahit Arman (Turkish Directorate General for Highways), Susanna Zammataro (IRF Director General) and Hamdi Aydin (Member of the IRF Board of Directors and IRF Treasurer) and representatives from the Turkish Road Association and from the Ministry of Transport.

The meeting offered the opportunity to visit the venue and discuss the format of the Congress which is expected to attract approximately 2'000 professionals, researchers, and experts together with a large delegation of Ministers from all over the world. The wide exhibition and the technical visits will also offer unique opportunities to learn about new developments in our industry and to connect with peers.

More information on the IRF World Congress 2024 will be posted on this page in future. For any question, please contact IRF at info@irfnet.ch.
